Fruit, Snacks and Icecreams are sold as counter items. Children will need to purchase these items separate from their lunch orders.

Our pies have less fat and reduced salt and the way they are baked children never suspect that, in addition to freshly ground Tasmanian beef, they are also full of vegetables with sautéed onion, leek, carrots, zucchini, celery, red lentils and tomatoes.

Prices may be subject to change and any increase will be advertised through the newsletter.

Please order through the Qkr! App. The cut off time to place orders is 8.30am on the day. Alternatively, you can send orders written on a brown paper bag with correct money attached/enclosed.

## Health & Wellbeing

Cambridge Primary School is proud to be a Move Well Eat Well school. We believe that students learn more effectively, perform at their best and have a greater chance of fulfilling their potential when they feel healthy, happy and safe.

We encourage all students to bring fruit for morning tea and a nutritious lunch.

We ask that each child has a water bottle, and regularly drinks water throughout the day.

Due to health regulations, the canteen is unable to heat food from home.
